WELL KNOWN MINISTER

Restored to Health by Vinol

Rev. D. Schneider, who is a well known minister in Rice Lake, Wis., writes:

"I had a very severe stomach trouble last year from which I was kept in bed three months. I had engaged the services of a doctor, but to no avail. I then read of Vinol and determined to try a bottle. Before it was used up I was out of bed, and four bottles made me a well man. Vinol is a splendid medicine, and I can gladly recommend it."

Prominent men from all over the country do not hesitate to endorse this wonderful tonic.

For twelve years Vinol has been sold on the "money back" plan, and every year strengthens its popularity and proves by continued tests that it will do what we claim for it.

CATARRH OF THE STOMACH

Could Hardly Eat. Gradually Grew Worse. Relieved by Peruna.

Mr. A. M. Ikard, Box 51, West Burlington, Iowa, writes: "I had catarrh of the stomach and small intestines for a number of years. I went to a number of doctors and got no relief, and finally one of my doctors sent me to Chicago, and I met the same fate. They said they could do nothing for me; said I had cancer of the stomach and there was no cure. I almost thought the same, for my breath was offensive and I could not eat anything without great misery, and I gradually grew worse."

"Finally I concluded to try Peruna, and I found relief and a cure for that dreadful disease, catarrh. I took five bottles of Peruna and two of Manalin, and I now feel like a new man. There is nothing better than Peruna, and I keep a bottle of it in my house all the time."

They raise a good deal of corn here and it is good grade of corn. We have from 24 to 30 inches of snow now and in some places much deeper. We were born and raised in old Kentucky and still have a warm feeling for the dear old state and all our old friends there. However, we like our new home. We wish to congratulate you upon your successful fight in the election in voting old Lincoln county dry once more and hope you may be equally successful in future elections. Would like to know is our old friend, Wm. Fields, was elected or not. Will close wishing you and all our Kentucky friends success in all your undertakings."

A. B. Austin, who recently went from Mt. Salem to Greencastle, Ind., seems greatly pleased with his new home, and writes back as follows:

"Greencastle is a school town, and business of all kinds is lively, lots of work of all kinds and good prices. Farmers are not feeding their stock but little the grass being sufficient to keep horses, mules and cattle fat and sleek. I see lots of mules and horses running out on grass that haven't been even sheltered that are fat and sleek. This also seems to be a great place for hogs and the cribs are full of corn. Farm land is very high here. \$100 per acre and up. I will earn my first wages in this state this week, estimating a 400 acre tract of timber. The timber land here is clear of all undergrowth, with grass growing everywhere. Squirrels are plentiful, but we cannot shoot them now. Taken all round this is a good place for men who want to work, and the preference seems to be for the Kentuckians."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and curing nature in doing its work. The proprietors have so much faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Fam'ly Pills for constipation.

MEIER—STONE.

Popular Young Couple Surprise Their Friends by Quiet Marriage

Although it was generally expected that they would be married about Easter time, the many friends of Marshall A. Stone and Miss Martha Meier were much surprised Thursday to learn that the popular young couple had been wedded quietly at the home of Rev. J. J. Dickey the evening before. They had let but very few into their secret, outside the immediate families and were the recipients of many surprised and happy congratulations when the news of their wedding became known. The only attendants at the wedding were the bride's sister, Miss Emma Meier, Mrs. J. J. Dickey and Mr. Carl A. Carter.

The bride is the talented and attractive daughter of Mr. and Mrs. John Meier, of the Highland section a sister of Mrs. Cyrus L. Gover, of this city, where the newly married couple will make their home until they go to housekeeping in a pretty little cottage recently built by the groom's father on Highcannon avenue. Mr. Stone is the son of Mr. and Mrs. Will Stone, and is one of the best known and most popular young men in Stanford. He is the expert linotype operator on the Interior Journal, and it, with the host of other friends of the bride and groom, wish them every happiness.
